

# Gut Health

## New Updates & Clinical Pearls

What percentage of your clients have gut issues?  
You're right... ALL of them.

### Evening Workshops

What percentage of your clients have gut issues? You're right.. ALL of them. And because everyone is different and everyone has unique tastes, we need gut healing options.

#### Think About It

95 million Americans experience digestive problems.

60 million suffer from heart burn.

20 million have stomach ulcers.

50 million Americans suffer from Irritable Bowel Syndrome

And we know intestinal permeability is associated with Autoimmune Disease, Chronic Fatigue Syndrome, Fibromyalgia, Arthritis, Allergies, Asthma, Acne, and Obesity.
